

The background is a collage of bicycle components. The top left shows a black saddle with a 'COMFORT ACTA-EMBRACE' label. The bottom left features a light blue fender and a headlight. The bottom center shows a purple frame with a 'SIZE JR' label. The right side is dominated by a close-up of a red frame and a black tire with 'PRIMO SEN' and 'MEL' text. The permobil logo is in the top left corner.
